Governance

1. Disclose the insurer's governance around climate-related risks and opportunities.

Falcon Insurance Company writes only non-standard auto insurance business. Due to the nature of the coverage provided and geographic coverage of risk the Company does not have significant exposure to climate-related risks. Therefore, we do not have any publicly stated goals nor handle within corporate structure or have oversight at a Board or committee level any climate-related risks or opportunities.

Strategy

2. Disclose the actual and potential impacts of climate-related risks and opportunities on the insurer's businesses, strategy, and financial planning where such information is material.

Falcon Insurance Company writes only non-standard auto insurance business. Due to the nature of the coverage provided and geographic coverage of risk the Company does not have material exposure to climate-related risks surrounding the business, strategy or financial planning.

Risk Management

3. Disclose how the insurer identifies, assesses, and manages climate-related risks.

Falcon Insurance Company does not consider the impact of climate related risks on its underwriting portfolio due to the nature of the coverage provided.

Metrics and Targets

4. Disclose the metrics and targets used to assess and manage relevant collateralized risks and opportunities where such information is material.

Falcon Insurance Company writes only non-standard auto insurance business. Catastrophic events are assessed based on geographic coverage. At this time, Falcon Insurance Company does not see climate issues relevant to the coverage provided.
