Qu	estion	Disclosure				
GC	GOVERNANCE					
1.	Disclose the insurer's governance around climate-	related risks and opportunities.				
In (In disclosing the insurer's governance around climate-related risks and opportunities insurers should					
соі	consider including the following:					
•	Identify and include any publicly stated goals on	2023 Sustainability Report, pages 34-36				
	climate-related risks and opportunities.					
•	Describe where climate-related disclosure is	2023 Sustainability Report, page 8				
	handled within the insurer's structure, e.g., at a	2023 Sustainability Report, page 93				
	group level, entity level, or a combination. If					
	handled at the group level, describe what					
	activities are undertaken at the company level.					
A.	Describe the board's oversight of climate-related	2023 Sustainability Report, page 8				
	risks and opportunities.					
In (describing the position on the board and/or comn	nittee responsible for the oversight of managing the				
clir	mate-related financial risks, insurers should consid	der including the following:				
•	Describe the position on the board and/or	2023 Sustainability Report, page 8				
	committee responsible for the oversight					
	of managing the climate-related financial risks.					
В.	Describe management's role in assessing and	2023 Sustainability Report, pages 8-9				
	managing climate-related risks and	2023 Sustainability Report, page 39				
	opportunities.					
	RATEGY
